### **DECISION ON STIPULATION<sup>1</sup>**

On October 9, 2018, Robert Fulling (“petitioner”), filed a petition for compensation under the National Vaccine Injury Program.<sup>2</sup> Petition (ECF No. 1). Petitioner alleges that he suffered from Myasthenia Gravis (“MG”) as a result of receiving the influenza (“flu”) vaccine on October 31, 2015. *Id.*

<sup>1</sup> Pursuant to the E-Government Act of 2002, *see* 44 U.S.C. § 3501 note (2012), because this opinion contains a reasoned explanation for the action in this case, I am required to post it on the website of the United States Court of Federal Claims. The court’s website is at <http://www.uscfc.uscourts.gov/aggregator/sources/7>. **This means the opinion will be available to anyone with access to the Internet.** Before the opinion is posted on the court’s website, each party has 14 days to file a motion requesting redaction “of any information furnished by that party: (1) that is a trade secret or commercial or financial in substance and is privileged or confidential; or (2) that includes medical files or similar files, the disclosure of which would constitute a clearly unwarranted invasion of privacy.” Vaccine Rule 18(b). “An objecting party must provide the court with a proposed redacted version of the decision.” *Id.* **If neither party files a motion for redaction within 14 days, the opinion will be posted on the court’s website without any changes.** *Id.*

<sup>2</sup> The National Vaccine Injury Compensation Program is set forth in Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755, codified as amended, 42 U.S.C. §§ 300aa-1 to -34 (2012) (Vaccine Act or the Act). All citations in this decision to individual sections of the Vaccine Act are to 42 U.S.C.A. § 300aa.

On November 9, 2021, respondent filed a stipulation providing a decision should be entered awarding compensation to petitioner. Stipulation (ECF No. 55). Respondent denies that the vaccines are the cause of petitioner's alleged injuries, or any other injury or his current condition. *Id.* at ¶ 6. Nevertheless, maintaining their respective positions, the parties now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation to the petitioner according to the terms of the stipulation attached hereto as Appendix A. *Id.* at ¶ 7.

The stipulation provides:

- a) A lump sum of \$90,000.00 in the form of a check payable to petitioner as legal representative of the Estate of Robert Neal Fulling. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).**

Accordingly, the Clerk of the Court **SHALL ENTER JUDGMENT** in accordance with the terms of the stipulation and this decision.<sup>3</sup>

**IT IS SO ORDERED.**

<sup>3</sup> Entry of judgment is expedited by each party's filing notice renouncing the right to seek review. Vaccine Rule 11(a).
